THE TORCH

1977

Bishop Stang High School
North Dartmouth, Massachusetts

For
everything
there is a
season . . .

There is an appointed time for everything
and a time for every affair
under the heavens.
A time to be born, and a time to die;
a time to plant, and a time to uproot the plant.
A time to kill, and a time to heal;
a time to tear down, and a time to build.
A time to weep, and a time to laugh;
a time to mourn, and a time to dance.
A time to scatter stones, and a time to gather them;
a time to embrace, and a time to refrain from embracing.
A time to seek, and a time to lose;
a time to keep, and a time to cast away.
A time to rend, and a time to sew;
a time to be silent, and a time to speak.
A time to love, and a time to hate;
a time of war, and a time of peace . . .

A time to smile . . .
A time to frown . . .

A time to
sleep . . .
A time to
be alert . . .

A time to
work . . .
A time to
play . . .

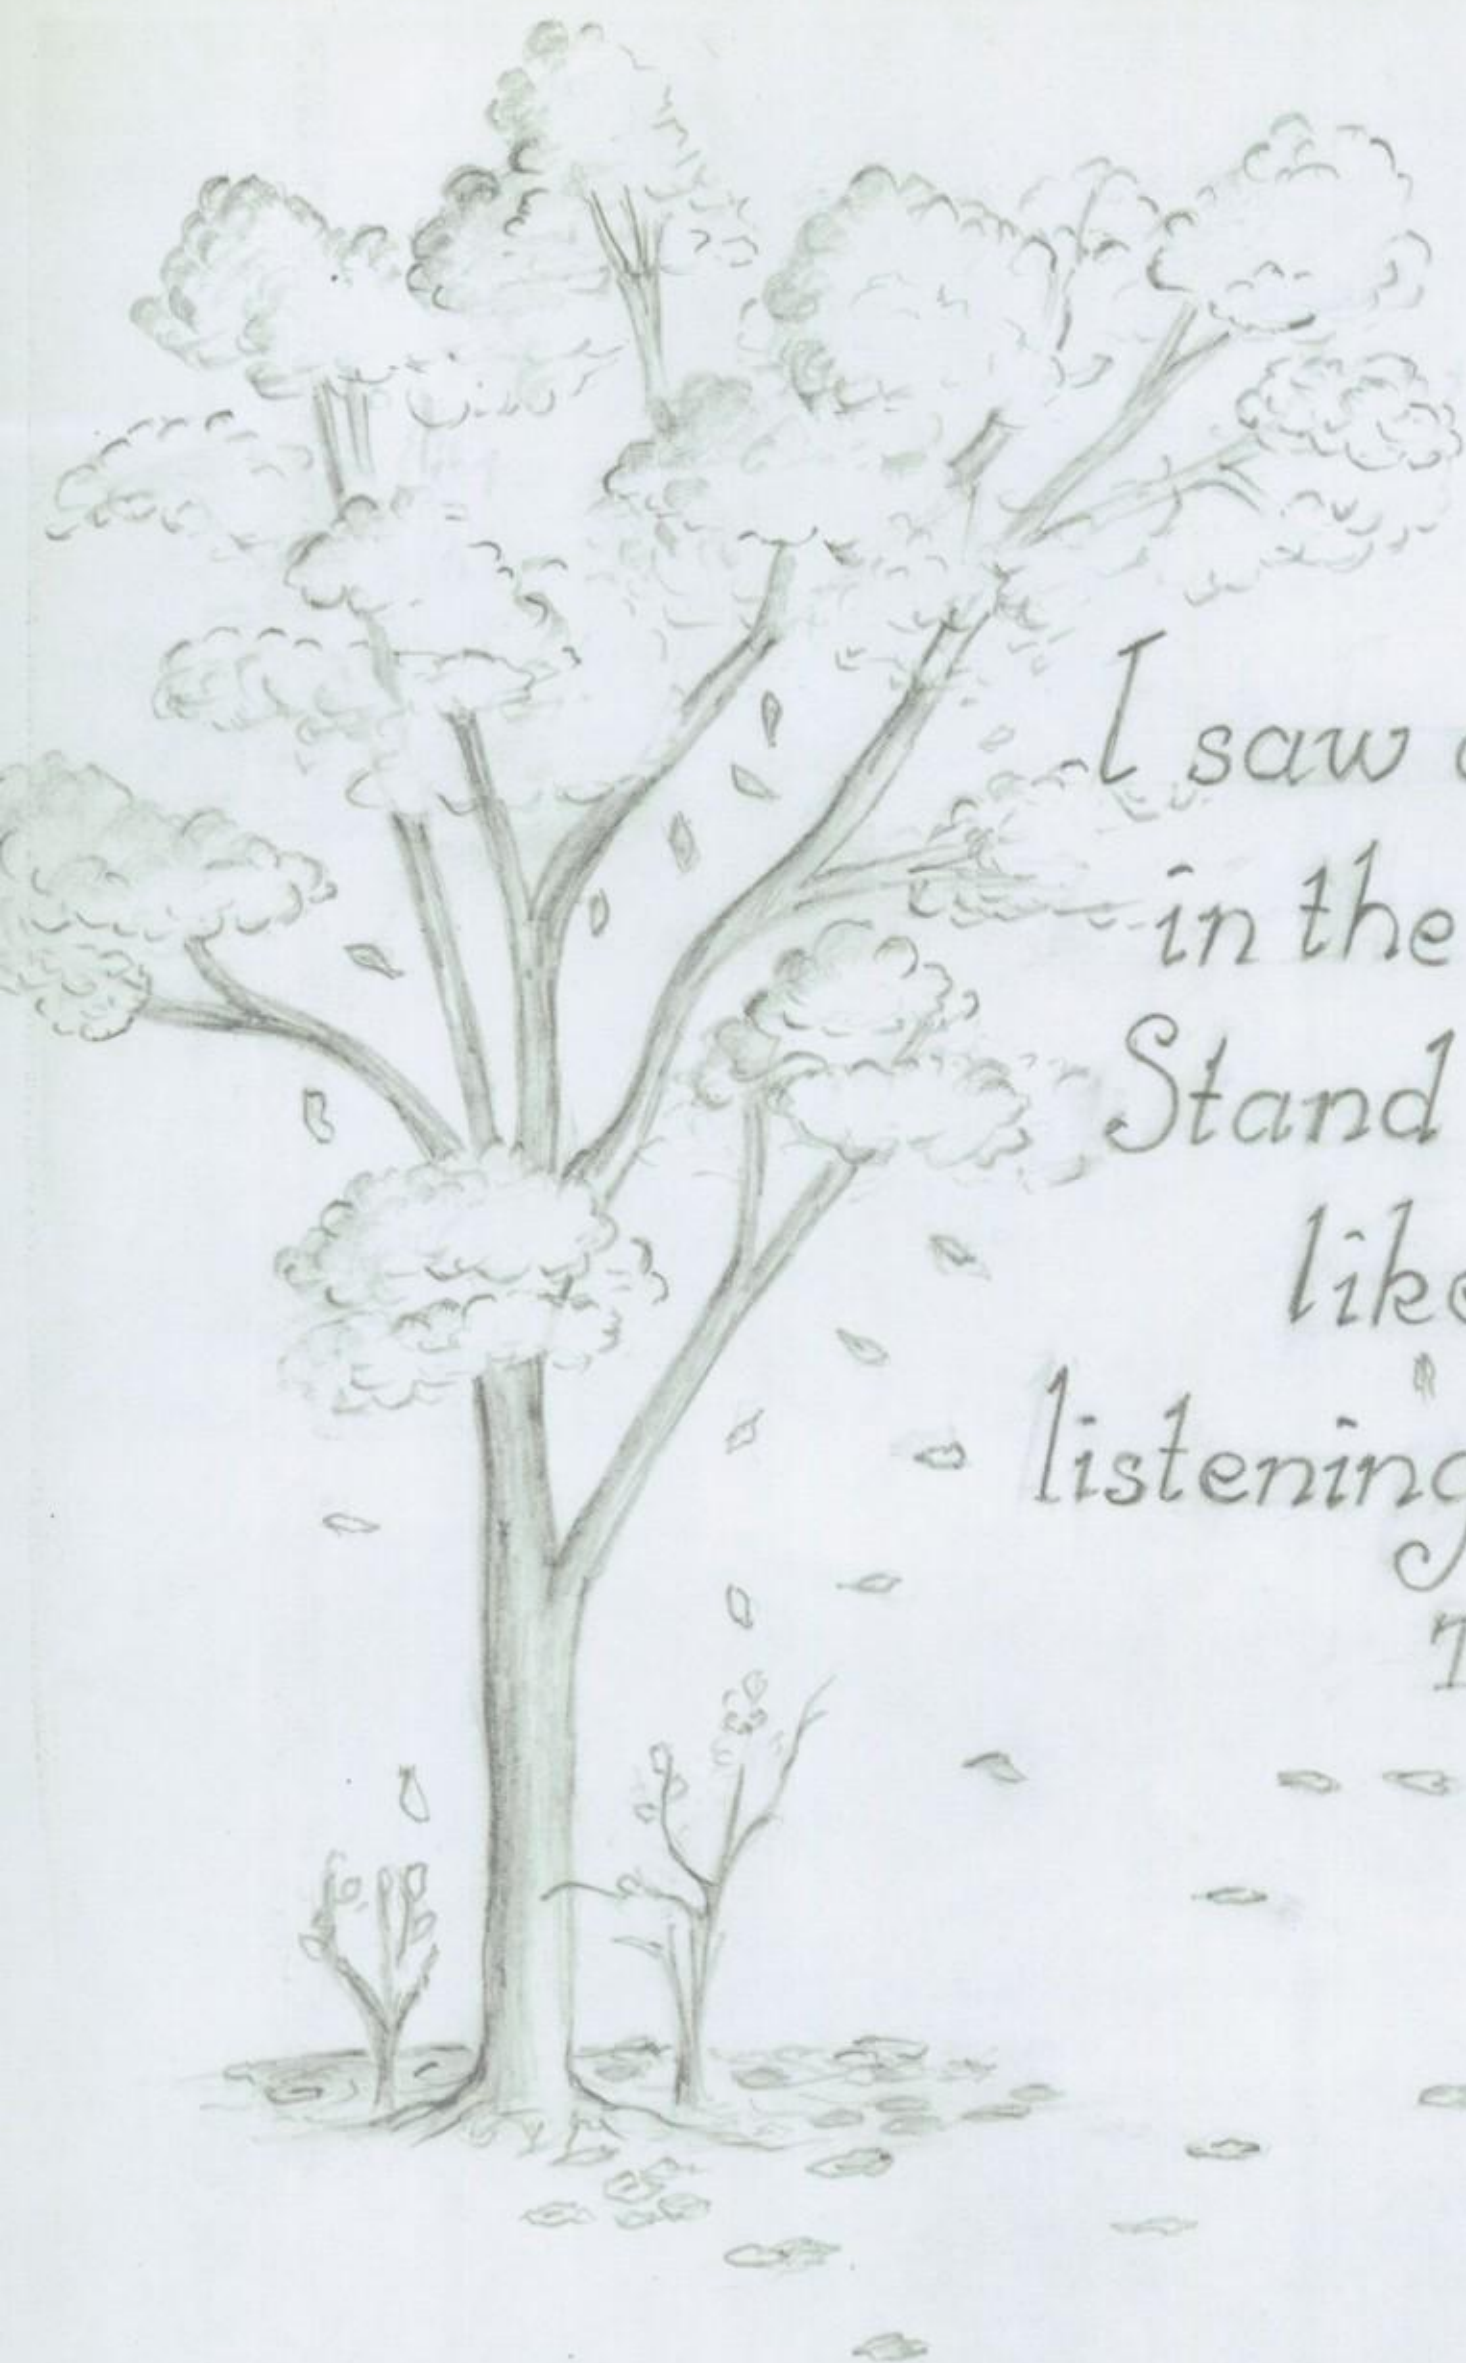

A time to listen . . .
A time to speak . . .

A time to
win . . .
A time to
lose . . .

I saw old Autumn
in the misty morn
Stand shadowless
like silence
listening to silence

FACULTY

Just as there is a time and a place appointed for everything under the sun, there is also a special season in the life of each student for the administration and faculty of Bishop Stang High School. Talents and personalities vary, but these men and women are united in a single purpose: to impart the Christian message of faith, of hope, of love to every student. This good news breathes life into the process of education, making it a unique experience for each person involved, whether student or teacher.

Yes, there are times of disagreement, of disillusionment, of doubt . . . but there are also times of shared joy, of renewed dreams, of proud certainty. Together we journey the road of fullness in the Lord Jesus, His Father, and the Spirit of Light.

A special season under the sun . . .

This year's Mass had a special significance for it was celebrated in memory of two of Stang's best supporters: Mr. Gilbert Ventura, former custodian, and Dr. DeMello, who worked with our athletic teams. Both these Super Spartans died during the summer. We chose to honor them in this way, and to show our gratitude to their wives by inviting them to participate in this Mass with us.

FOOTBALL KICK-OFF RALLY

Parents, students, friends gathered together to eat and enjoy as well as to celebrate and participate in the first football rally of the year. Everyone wished the team success and Coach Milot treated the crowd to a mysterious magical appearance!

By NORM LETENDRE

Blundering penalties and a host of costly turnovers dulled Homecoming Day for the Spartans of Stang High, that is until Dave Poineau kicked some life back into the crowd. Poineau's conversion kick lifted Stang to a one point victory over favored Seekonk High, 15-14, at Dartmouth Stadium yesterday afternoon.

Stang May Be First Durfee Victim

By BILL MORRISSETTE
Supposedly weakened by the absence of some of their stars, the Bishop Stang Spartans still had enough strength left, principally in the person of one Jim Long, to nose out Durfee High's Hilltoppers, 6-0, in a non-league game in Dartmouth Memorial Stadium yesterday afternoon.

With several offensive kingpins gone, Stang High's, injury-plagued football team represents Durfee's brightest hopes of breaking into the win column this season.

The Bishop Stang Spartans tallied a touchdown in the final period and held off a determined New Bedford Vocational last-ditch effort, to gain a 14-12 victory yesterday afternoon at Dartmouth Memorial Stadium in a Southeastern Massachusetts Conference Div. II contest.

VARSITY FIELD HOCKEY

This year's field hockey team came in first in Division I with an overall record of 12 wins and 3 losses. The losses were to Dartmouth and Somerset - within the same week. Coach Dougall attributes the team's comeback to good team play: "One of the main reasons we have done so well this year is because the kids play as a team, passing off to set each other up for goals rather than relying only on certain individuals. The defense also has been outstanding. More than 75% of the time we dominated play on our half of the field." Strong JV teams are also a factor in that they feed the Varsity.

Mrs. Dougall is proud of her "special team" which also entered tourney action, but lost a hard fought game to Dedham (1-0) in Round II.

TEAM MEMBERS: Ann Vera, Joan Fontaine, Linda Duchaine, Ann Hudner, Jeannine Boutin, Donna Correia, Jean Arthur, Fran Lemieux, Dawn Vandal, Kathy Coyne, Dori Lloyd, Gisele Clapin, Peggy O'Neill, Mary Beth O'Neill, Joanne Bourque, Cheryl Dumont, Jean Driscoll, Sharon Foster, Cheryl Bartleson, Debbie Thibault, Diane Harlow.

THANKSGIVING MASS

Once again Stang students and faculty demonstrated their generosity and Christian concern for the less fortunate by filling baskets and donating money for turkeys. Bishop Cronin joined the Stang community to celebrate our Thanksgiving with Mass, and, to everyone's delight, a day off.

DONKEY BASKETBALL

One of Stang's most enjoyable and hilarious annual events is the Faculty-Senior Donkey Basketball Game. This year's game proved to be another success for the faculty, but the best part of the evening was the tug-of-war, with Mr. Hart and Mr. Yeomans taking on several opposing teams. Too bad they lost, and those pies had to furnish them with a nice cream bath!

SENIOR PROM . . . MAY 5 . . . WHITE'S RESTAURANT

GRADUATION . . . JUNE 1, 1977

IN RETROSPECT

We have come together in this gym on many previous occasions for a varied number of reasons. It has been a place where we have often shared the spiritual, academic, athletic, and social facets of our lives with each other. Tonight we meet here for the final time as members of the Bishop Stang High School Class of 1977 in order to reflect for a few moments on these shared experiences and to unite in hope for the future - our future.

Many can probably compare our present situation with one that happened four years ago. At that time, we were leaving a familiar environment and preparing to meet the challenges of a new one. We were on the threshold of a new experience, not really knowing what to expect, but hoping to discover some yet unseen aspect of ourselves, some hidden potential. In retrospect, we can see that those challenges have been met and that some of our hidden aspects and potentials have been at least partially discovered. It is these encounters that have helped us become more mature as students, as individuals, and above all, as Christians.

While we have been here at Bishop Stang High School, many important changes in faculty, curricula, and policy have been instituted. But the most important changes occurred within ourselves as we strove to become involved in the constant renewal of the spirit of Bishop Stang High School; a spirit of strength, of respect, and of unity.

As a result of these endeavors, our class has played a large part in making this school what it has been these past four years. We have left our mark. Since the time when we were freshmen, we have participated in all of the activities of which Bishop Stang High School is proud, and recently we have become the leaders in these activities. The time has now arrived for us to pass on this responsibility of leadership to the next class, hoping that its members will also do their best to renew the spirit of this fine school.

At this time, I would like to speak to you, my classmates, who, throughout your high school years, sought to excel in those areas which were important to you: academics, music, sports, just to name a few. Because of your desire for excellence, you have led others to a greater respect for the name Bishop Stang High School. I personally am very proud to have known you and to have been your friend. But I am also proud of the ways in which our class assisted others in a spirit of friendship, whenever help was needed. By manifesting this willingness to serve through our actions, we truly put into practice the Christian principles on which this school was founded and on which we should all base our lives.

Our school theme this year is "Striving for Unity." I firmly believe that it is because of the constant love and support from our parents, families, and friends, along with the influences of the environment here at school, that we are prepared to begin to apply this unity theme in the world outside of Bishop Stang High School. Ours is a time of conflict and indecision, war and unrest. As the leaders of tomorrow, we are thus entrusted with the task of healing the world's wounds and of bringing its people together in a spirit of peace. This is our future, and we are to guard it with the help of God.

So tonight, as we stand facing this future, uncertain as it may now seem, let us realize that the memories of our experiences here at Bishop Stang High School are important, for yesterday helps to shape the tomorrow which is still a vision today.

In closing, I would like to leave with you these words of Gregory Norbert which are very appropriate at this time of "Our New Beginning:" There is an energy in us which makes things happen when the paths of others touch ours, and we have to be there and let it happen. When the time of our particular sunset comes, our thing, our accomplishment, won't really matter a great deal. But the clarity and care with which we have loved others will speak with vitality of the great gift of life we have been for each other.

LEO RACINE, PRESIDENT
